Guidance notes

Q. What is a pecuniary interest?

A pecuniary interest is broadly defined as one where you expect to receive payment, either actual or in kind, or benefits or losses arising from the value of assets. You should declare both pecuniary and non-pecuniary interests. These include:

- **Financial** - interests in a contract or proposed contract by direct or family connection
- **Appointment** - interests in the provision for sponsor governors or interests in someone's appointment, reappointment or suspension from office as a governor, trustee or clerk to the Trust or Local Governing Body
- **Pay and performance** - interests in the pay or appraisal of someone working at the school in cases where the governor, trustee or staff member is also paid to work at the school.

Q. Do I need to declare these interests again at the beginning of every meeting?

No.

You only need to declare at the beginning of a meeting if there is a possible conflict between any of your interests and an item on the agenda. In this case, you must specifically declare that interest. It is not sufficient to have declared it on this form.

Q. What will the trust or school do with the information disclosed on this form?

Your information will be published on the school and / or trust website. There is a statutory obligation on the trust or school to do so.

If you have any questions about the completion of this form please ask your clerk.

Full details can be found in Schedule 1, Regulation 16 of The School Governance (Roles, Procedures and Allowances) (England) Regulations 2013
